

Leandro Izauto - 34 - Milícia de Jesus

Tom: G

Milhares de milhares em refulgente luz!
 Eis os guerreiros santos, milícia de Jesus!
 Completa, sim, completa sua longa luta aqui
 Com Cristo, seu Senhor e rei, vão descansar ali
 Que doces sinfonias enchem a terra e o céu!

Quem coros d'aleluias rompem além do véu!
 É que chegou o dia, o dia triunfal
 E Cristo reinará, enfim, em glória divinal
 Então, não há mais choro, nem há mais tentação
 As dores, as tristezas p'ra sempre fugirão
 E os remidos todos verão seu Salvador
 E transformados, todos, serão como o Senhor
