

# Leandro Léo - Amanhã

Tom: **D**  
Intro: **D7M D D7M D**

**D7M** **D**  
Amanhã me empresta tuas armas

**D**  
Me deixa alcançar tuas sombras

**D7M**  
Me cobre nas nuvens antes claras do teu blazer de lá

**D** **D**  
Me encosta na parede e arranca da barba mal feita de nós

**D** **A**  
Essa máscara toda sangue

**D7M**  
Sorrisos e mentiras

**D** **D**  
Talvez eu só queira abraçar o sincero de nós dois

**D** **A** **D7M D D7M D D**  
O secreto, o sincero de nós, mas desisto

**G2** **E**  
Hoje eu te vi, hoje sim de verdade

**Gbm7**  
tu que não te escondes mesmo quando dois canhões

**Gbm6 B7**  
Iluminam teu semblante

**E** **A** **D7M D**  
Sonhando com luz, emprestando-te carisma

**G2** **E**  
O resto deixo quieto, são as marcas que deixastes no meu peito

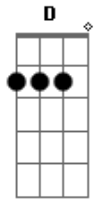

**Gbm7**  
E uma leve bruma que paira

**Gbm6 B7** **E**  
Pelos céus, pelos bares, pela chuva que cai

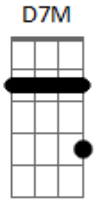

**A**  
Adeus noite, mágoa

**D7M D D7M D D7M**  
Adeus
