

LeAnn Rimes - The Story

Tom: A

All of these lines across my face tell you the story of who I am

So many stories of where I've been and how I got to where I am

But these stories don't mean anything, when you've got no one to tell them to

It's true, I was made for you

I climbed across the mountain tops swimming across the ocean blue

I crossed all the lines and I broke all the rules

But baby I broke them all for you

Oh, and this even when I was flat broke

You made me feel like a million bucks you do

I was made for you

[Solo]

You see the smile that's on my mouth

Its hiding the words that don't come out

All of my friends who think that I'm blessed

They don't know my life is a mess

No they don't know who I really am

And they don't know what I've been through like you do

I was made for you

All of these lines across my face tell you the story of who I am

So many stories of where I've been and how I got to where I am

Oh, but these stories don't mean anything

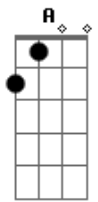

when you've got no one to tell them to

It's true, I was made for you

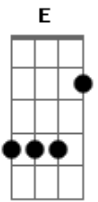

I was made for you

Oh yeah well it's true
