

Leanna Crawford - Breath Of Heaven (Mary's Song)

```
tom:
                                                                         Bbm
                                                     Breath of heaven, lighten my darkness
             Bhm
                                                               F
Intro: Bbm Gb Ebm Bbm Ebm
                                                                                              Fh
                                                                          Bbm Ebm
                                                                                                    Fbm Ab
                                                      Pour over me your holiness for you are holy
[Primeira Parte]
                                                      Breath of heaven
       Bbm Gbm Ebm
                         Bbm Gb Ebm
                                                      [Terceira Parte]
I have traveled
                    many moonless nights
         Bbm Ebm
                         Bbm Ab Db
Cold and weary with a babe inside Ebm Bbm Gb
                                                      Do you wonder as you watch my face
And I wonder what I've done
                                                                                Bbm Ab Db
                                                         Bbm Ebm
Ab Ebm Bbm Gb
                                                      If a wiser one should have had my place?
Holy father, you have come
                                                           Ebm Bbm Gb
                                                      But I offer all I am
                         Ab Bbm Ebm
          Gb
And chosen me now to carry your son
                                                            Ebm Bbm
                                                      For the mercy of your plan
                                                      Ab Gb Ab
[Segunda Parte]
                                                                                  Gb Ab
                                                     Help me be strong, help me be, help me
      Bbm Gb Ebm Bbm Gb Ebm
I am waiting in a silent
                                                      [Refrão]
                           prayer
                 Bbm Ab Db
     Bbm Gb Ebm
I am frightened by the load I bear
                                                     Db
                                                                         Bbm
    Ebm Bbm Gb
                                                     Breath of heaven, hold me together
In a world as cold as stone
                                                      Gb F Bbm Gb
      Ebm Bbm Gb
                                                      Be forever near me, breath of heaven
Must I walk this path alone?
                                                                        Bbm
                                                     Breath of heaven, lighten my darkness
     Gb Ab
                               Db
                                                                              Gb
Be with me now, be with me now
                                                      Gbm F
                                                                         Bbm
                                                      Pour over me your holiness for you are holy
[Refrão]
                                                      Ab
                                                              Db
                                                      Breath of Heaven
                                  Db
Breath of heaven, hold me together
                                                      [Final] Ebm Db Eb F Bbm Ebm Ab Db
