

Leanna Firestone - You Just Didn't Like Me That Much

tom:

A

[Primeira Parte]

A
You weren't the right person at the wrong time

A
You just didn't like me that much

D7M
You weren't some evil mastermind

E
You didn't try to hurt me on purpose

E
But I thought that you wanted

D7M
To attempt and ruin my life (Ruin my life)

A
But then I realized you just didn't like me that much

A
And it wasn't deliberate

D7M
There was no big plan or some grand scheme

E
I wasn't a target, it would have been someone else if it wasn't me

E
But I am an idiot

A **Gbm** **D**
So it's not your fault that I fell in love with someone? who

E **A**
Just didn't like me that much

(You just didn't, you just didn't)

[Refrão]

D **A**
People say that opposites attract

Gbm **E** **A**
And that the opposite of love's indifference

D7M **A**
And I guess that when I look at us like that

Gbm **D** **Bm**
It kinda makes total perfect sense

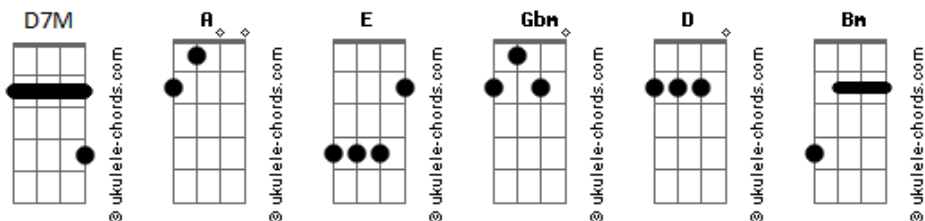

A
Why you just didn't like me that much

[Segunda Parte]

A
You weren't the one that got away

E
You just didn't like me that much

Acordes

D7M
You weren't my soulmate and

E
I thought that must make you my nemesis

E
Deemed you diabolical

A **Gbm** **D**
With vicious, malicious and villainous intentions

D
And then I realized that

E **A**
You just didn't like me that much

(You just didn't, you just didn't)

[Refrão]

D **A**
People say that opposites attract

Gbm **E** **A**
And that the opposite of love's indifference

A
(You just didn't, you just didn't)

D **A**
And I guess that when I look at us like that (Like that)

Gbm **Bm**
It kinda makes total perfect sense

D
Why you just didn't like me that much

[Ponte]

D
And I don't blame you

E **Gbm** **A** **D**
I know you didn't mean to make me a casualty of your curiosity and

E
I don't hate you 'cause I know you didn't mean to

Gbm
I know you didn't mean to

E
I hope you didn't mean to

[Refrão]

D **A**
