

# Led Zeppelin - Achilles Last Stand

Tom: **C**

Achilles' Last Stand

The intro is double-tracked:

The main rythm is:

During the Lyrics its:

The bridge sort of thing is:

The ascending bit is played in two octaves. The lower one

goes like this:

(Im probably making a mistake near the end of this) Play this one out,

then (I think) play it again an octave higher.

Here's the start of the solo(and it'll probably have a couple of errors as well)

basically stays in Then it breaks down and  
XIV position for a while.

The only other part I can remember goes something like this:

## Acordes
