

Led Zeppelin - Babe I'm Gonna Leave You

Tom: C

back...

WARNING: If you really want to learn this music, watch out all minor changes in the main verse, and if I did any error, please contact me in my e-mail TheLizzard_Hendrix@hotmail.com. P.S.: The lyrics are not 100% right (the music too, thought), cause I'm lazy and dont want to look for the lyrics, but... wathever, whats real matter is the music anyway, in any case I hope you enjoy it...

Iguana

Notation for solos:

(R) - Rake
h - Hammer on
p - Pull off
~ - Tremolo pickin
hb - Half bend
fb - full bend
Intro: (Without vocals)

Verse 1:

Baby... I'm gonna...
baby I'm gonna...

...live you...
I say...

Baby... know I'm gonna...

...leave you...
...

leave you when the summertime...
when the summer

...comes alone... comes alone...
...leave you when the summer

Chorus 1:

Verse 2:

...Baby baby baby baby baby baaby
I wont...

... leeave you... got to ...
...I aint joke woman I

..ramble... ..ooooh yeah...

... Baby baby I'll leave the
really got

Acustic guitar 2 as riff 1;

...ramble... way ...I can hear a call in me the

...you used to do... ...I can hear a call in me

Chorus 2:

Bridge:

Eletric / Acoustic riff:

This part off music is made by a acoustic and eletric guitar at same time, the first time enters just eletric guitar, in second time, enters the acoustic:

First part: (just eletric guitar)

Second part: eletric & acoustic guitars: (3x)
Eletric guitar:

Acoustic guitar:

Final part: eletric & acoustic guitars: (2x)

Eletric guitar:

Acoustic guitar:

Chorus 3: (Just acoustic guitar)

Verse 3: All the back solos off third verse are made by a second acoustic guitar:

First acoustic guitar:

Second acoustic guitar:

First acoustic guitar:

Second acoustic guitar:

I know... I know... ...I know I
nevernevernevernevergonna live you...

baby... this place... ... I gotta go off

oooooooh baby ...ooh I gotta get you yeah

...Baby baby baby baby

Eletric riff:

This time, Mr. Page just do 2 times and without acoustic guitar, just eletric:

Now, back again to the acustic guitar, but the back solos this time are made by an eletric guitar:

Acoustic guitar(just acoustic)

... woman...

Acoustic guitar

Second acoustic guitar:

...Woman

I know

I know

First acoustic guitar:

Eletric guitar

Second acoustic guitar:

Acoustic guitar

...Isgoodto haveyouback again andIknowthat onedaybaby its allright

First acoustic guitar:

Eletric guitar

Second acoustic guitar:

Acoustic guitar(just acoustic)

First acoustic guitar:

Eletric/ acoustic riff:

Second acoustic guitar:

Eletric & acoustic guitars together: (2x)

Eletric guitar:

Eletric & acoustic guitars together (last time, thank God) : (4x)

Eletric guitar:

Acoustic guitar:

Acoustic guitar:

Final verse: This part is made by 2 acoustic guitars to:

First acoustic guitar:

On the last time, the eletric guitar just end with a F, and its played with the first F on the final part:

Second acoustic guitar:

Final: just acoustic

First acoustic guitar:

...Thats when you call'me...

...I sai'd Thats when you call'me...
