

# Led Zeppelin - Black Dog

Tom: E

Triple Tracked Elec plays main riffs:

Back to first riff

During the "Oh YEah...oh yeah!" part:

On the last verse, the main riff is doubled with this:

This is during the "Hey Baby, Pretty Babay" part and backs the solo:

The second time in the song that part is doubled with this:

Heres the solo to Black Dog:

```

E| --8--8 9-----8-----15-
-----
B| -----10-----10---13 17 13---10--13 17 13--10-----
-15 17--15-13-----
G| -----14-14-----
-----14--
D| -----
-----
A| -----
-----
E| -----
-----
                                     FADE OUT
E| -----15-----
-----
B| -13h15--13---13h15---13-----15 17-----
-----
G| -----14-----
-----
D| -----
-----
A| -----
-----
E| -----
-----
    
```

Subject: TAB: Intro of Black Dog solo (Led Zeppelin)

Ok, I've never seen anybody post this eighth, and it plagued me until I finally (hopefully) figured it out this summer..

Incidentally, Page uses this lick at the beginning of his accompanied solo on 'Heartbreaker'. Most of the rest of the solo to Black Dog is fairly straight forward..

## Acordes
