

Led Zeppelin - Going to California

```
Tom: E
                                                                                                                                                                                Standing on a hill and a mountain of dreams,
                                                                                                                                                                                Telling myself it's not as hard, hard, hard as it
       Tuning:
                               DADGBF
                                                                                                                                                            seems..
Intro:
                                                                                                                                                                                Ahhhhh.... Ahhhhh.... Ahhhhh....
                                                                                                                                                                                Ahhhhh.... Ahhhhh.... Ahhhhh....
                                                                                                                                                                                                                                                                                      Fade out...
                                                                                           р
                                                                                                                                     р
                                                                                                                                                            Dexter N. Muir
                                                                                                                                                                                                                     Manufacturing Pilot Plant Technician

                                                                                           р
                                                                                                                                     p
  Ahhhhh....
                                            Ahhhhh....
                                                                                      Ahhhhh....
                                                                                                                                                            Seems that the wrath of the....
  Ahhhhh....
                                            Ahhhhh....
                                                                                      Ahhhhh....
                                                                                                                                 Fade
out...
                                                                                                                                                            I hope this helps somewhat. Also, the song is written in the
                                                                                                                                                            key of D, if
                   Spent my days with a woman unkind:
                                                                                                                                                            anyone wants to know.
                    Smoked my stuff and drank all my wine.
                   Made up my mind, make a new start,
                                                                                                                                                            Hopefully, I'll try to post a few other Zeppelin tabs if I get
                   Goin' to California with an achin' in my heart.
                                                                                                                                                            the chance.
                   Someone told me there's a girl out there % \left( 1\right) =\left( 1\right) \left( 1\right
                   With love in her eyes and flowers in her hair.
                                                                                                                                                            Subject: Going To California TAB
                   Took my chances on a big jet plane.
                                                                                                                                                            Going To California by Led Zeppelin
                   Never let 'em tell you that they're all the same.
                   Ah, the Sea was red and the Sky was grey:
                                                                                                                                                            This song has two acoustic guitars and a mandolin.
                   I wondered how tomorrow could ever follow today.
                                                                                                                                                            However I only know the guitar parts so just
                                                                                                                                                            play with notes for the mandolin stuff.
                   The mountains and the canyons start to tremble and
shake:
                   Children of the Sun begin to wake.... [spoken:] watch Both guitars are tuned to DGDGBD.
out
                                                                                                                                                            Intro: on one guitar
                   Seems like the wrath of the Gods: got a punch on the
nose
                    and it's startin' to flow, I think I might be sinking. At the start of the lyrics, still one guitar
                   Throw me a line, if I reach it in time
                    (I'll) meet you up there where the path runs straight
and high.
                                                                                                                                                            At "all my wine" and at corresponding part in next verse
                   Find a Queen without a King,
                    Ride a white mare on the footsteps of Dawn,
                    Tryin' to find a woman who's never, never, never been When the second guitar enters is plays this...
```

born.

While the second guitar plays this..

then...

And guitar 2 plays

At the "wrath of the gods" part.. guitar 1 plays X 4

After that, replay the intro accompanyed by this on guitar 2

On the outro both guitar play essentially the same thing.
