

# Led Zeppelin - Heartbreaker

Tom: G

(riff 1 - parte 1)

(riff 1 - parte 2)

(riff 2 - parte 1)

(riff 2 - parte 2)

(riff 3 - parte 1)

(riff 3 - parte 2)

só juntar os riffs e seguir a sequencia da intro:

(Riff 1) x2  
(Riff 2) x1  
(Riff 3) x1  
(Riff 1) x1

Obs: 0 bend do inicio do Riff 1, no 3 traste da corda E, só é tocado uma vez na intro

Depois quando a música fica só na leva do baixo toque estes power chords:

a woman came 'long just to watch an' see all the fellas lay their money down the ?style? is new but the pay's the same as it was so long ago but from her eyes a different smile [can't understand this at all]

(play this 3x)

E )|-7-5-| after this, go to the 1st intro riff, and play it  
B )|-7-5-| twice. then, play the 2nd riff once, and the 1st  
G )|-7-5-| riff once.  
d)|-7-7-|  
a)|-5-7-|  
e)|---5-|

(after this, the it goes back to the verse riff, with these lyrics)

Well it's been ten years and maybe more since i first set eyes on you  
The best years of my life gone by, here i am alone and blue  
Some people cry and some people die by the wicked ways of love  
But i just keep on rollin' 'long with a praise from the lord above

(play the 'chrod' riff (above) 3x, and then this)

People talkin' all around  
'bout the way you left me flat  
I don't care what the people say  
I know where their job is at

One thing i do have on my mind  
If you could cloarify please do  
Is the way you called me another guy's name  
When i tried to make love . . . to you

(just after 'to you', this riff comes in)

(after this, comes the solo, which i'm not even going to attempt.  
After the solo, you come back to the 'verse' riff, with these lyrics)

[can't understand first line]  
Abuse my love a thousand times, however hard i try  
Heartbreaker your time has come can't take your evil ways  
Go away heartbreaker

Now, play the 'chord' riff 6 times, and start playing the 1st intro riff.  
Play through it once, and start it again, but leave out the last 9 notes.

If anybody has the solo, please post it. i'm also looking for tab/chords  
To hendrix's purple haze.
