C
 I got a woman, wanna ball all day
C **G D D D**
 I got a woman, she won't be true, no
C **G D D D**
 I got a woman, stay drunk all the time
 I Said I got I little woman and she won't be true

Sunday morning when we go down to church
 see the man folk standing in line

I said they come to pray to the lord
 With my little girl looks so fine
 in the evening when the the sun is sinking low
 evebody's with the one they love

Looking for my street corner girl

(refrão)

In the bars, with the men who play guitars
 Singing, drinking, and remembering the times
 My little lover does a midnight shift
 She followed around all the time
 I guess there's just one thing a-left for me to do
 Gonna pack my bags and move on my way
 Cause I got a worried mind
 Sharing what I thought was mine
 Gonna leave her where the guitars play

(refrão)

Hey hey what can I do
 I said she won't be true
 Hey hey what can I say

Hey, hey what can I do
 I got a woman and she won't be true
 Lord, hear what I say
 I got a woman, wanna ball all day
