Led Zeppelin - Hot Dog

Tom: C

   For the lyrics that I was unsure of I put underlines, and for
the tab I was unsure of, I left blank. I also did not denote any hammer-ons/
pull-offs in the solo, and I am not sure whether or not they belong in the
beginning and at the end.

G
Well I just got in to town today,
C
To find my girl has gone away,
G   D
She took the Greyhound in the general store.

G
I searched myself, I searched the town,
C
And when I finally did set down,

I found myself no wiser than before.

She said we couldn't do no wrong,
No other love could be so strong,
She locked up my heart in the bottom drawer.

Now, she took my heart, and she took my keys,
>From in my old blue dungarees,
And I'll never love old Texas anymore.

D   G
Now that my baby's gone, I don't know what to do,
D   G
She took my love and walked right out the door.
C   G

And if I ever find that girl, I know one thing for sure,
C   D
I'm gonna give her something like she never had before.

I took her love at seventeen,
A little late these days, it seems,
But they said_____________before.

I took her word, I took it all,
I made the_____________
Shouldn't let_____________ more.

Now that my baby's gone, I don't know what to do,

I'm gonna give her something like she never had before.

I_____________ luck,
I_____________ truck,
But_____________.
