

# Led Zeppelin - Houses Of The Holy

Tom: **A**

First I'll tab the different guitar parts and then the words

notation h = hammer on  
p = pull-off  
b = bend

Intro: Repeat these first 2 bars twice

This chord rings into the next bar for the start of the verse

Note that the chords on the verses sustain a little, but notation wasn't easy so listen to the record to get the timing and feel.

Verses **D G D A E**

The above is repeated for the verses 4 times. But the last time no **E** is played, instead Jimmy goes back into the intro parts. Othertimes in the song he plays the **E** four times before going back to the intro. Listen to the recording to get these changes, it is quite clear.

Note during the song similar riffs to the intro. The little riff fill goes something like this. Note that Jimmy plays variations on the

fill.

bend from b to c# and then back to b  
riff fill

variation something like this

Words :

Let me take you to the movies, can I take you to the show?  
Let me be yours ever truly, can I make your garden grow?

>From the houses of the holy, we can watch the white doves go.  
>From the door comes Satans daughter, and it only goes to show. and you know.

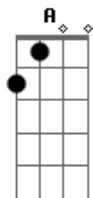

There's an angel on my shoulder, in my hand a sword of gold.  
Let me wander in your garden, and the seeds of love I'll sow.  
You know.

So the world is spinning faster, are you dizzy when you stall  
Let the music be your master will you heed the master's call  
Ohhh

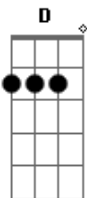

Said there aint no use in crying, cause it will only, only  
drive you mad  
Does it hurt to hear them lying? Was this the only world you had?

So let me take you take you to the movies, can I take you baby  
to the show  
Why don't you let me be yours ever truly, Can I make your  
garden grow?
