Oh, let the sun beat down upon my face
 Stars to fill my dream
 I am a traveler of both time and space
 To be where I have been
 To sit with elders of the gentle race
 This world has seldom seen
 They talk of days for which they sit and wait
 When all will be revealed

Passagem 1:

Segunda Estrofe:

Talk and song from tongues of lilting grace
 Whose sounds caress my ear
 But not a word I heard could I relate
 The story was quite clear
 Oh, oh
 Oh, oh

Oh, pilot of the storm who leaves no trace
 Like thoughts inside a dream
 Hid the path that led me to that place
 Yellow desert stream
 My Shangri-la beneath the summer moon
 I will return again
 Sure as the dust that floats high in June
 When moving through Kashmir

Oh, father of the four winds, fill my sails
 Across the sea of years
 With no provision but an open face
 Along the straits of fear
