

Led Zeppelin - Ten years gone

Tom: **A**

Drop **D** Tuning - **D A D G B E**

Intro:

Here comes the distortion, remember, Drop D.

Words come in here:

Then, as it was, then again, it will be. Though the course may change sometimes, rivers always reach the

sea...

Distortion again:

Flying skies of fourtune, each our seperate way. On the wings of maybe, downing birds of prey.

Kind of makes you feel, sometimes, we didn't have to grow. For as the eagle leaves its nest, we got so far to go.

Changes fill my time, baby, that's alright with me. In the midst I think of you, and how it used to be...

Solo : I've made a double bar. One for the solo, one for the background chords. The background chords are clean.

to 18 before you strike

hit and and bend back
vuv

[DISTORTION!]
Do you ever really

Need somebody, really need em bad? Did you ever really

Want somebody, the best stuff you ever had? Will you ever

Remember me baby, did it feel so good? Cuase it was

Good the first time, and you know you would!

Next for the mini solo:

Background Chords

Solo:

Dewy eyes now sparkle, senses grow so keen. Tasting love along the way, see our feathers preen.

Kinda makes me feel sometimes, didn't have to know. We are eagles of one nest, the nest is in our soul.

Fixin in my dreams, with great surprise in me. I never thought I'd see your face, the way it used to be.

This riff repeats out to the end, with vocal ad lib, and soloing over it:

Outro Solo:

This little riff is also played several times in the outro:

Then as it was, then again it will be
Though the course may change sometimes
Rivers always reach the sea
Blind stars of fortune, each have several rays
On the wings of maybe, down in birds of prey
Kind of makes me feel sometimes, didn't have to grow
But as the eagle leaves the nest, it's got so far to go

Changes fill my time, baby, that's alright with me
In the midst I think of you, and how it used to be

bend from 17

the note, than

Did you ever really need somebody, and really need 'em bad?
Did you ever really want somebody, the best stuff you ever had?

Will you ever remember me, baby, did it feel so good?
'cause it was good the first time, and you knew you would

Dewy eyes now sparkle, senses growing keen
Tasteing love along the way, see your feathers preen
Kind of makes makes me feel sometimes, didn't have to grow
We are eagles of one nest, the nest is in our soul

Fixin' in my dreams, with great surprise to me
Never thought I'd see your face the way it used to be
Oh darlin', oh darlin'

I'm never gonna leave you. I never gonna leave
Holdin' on, ten years gone
Ten years gone, holdin' on, ten years gone
