Lee Hazlewood - My Autumn's Done Come

tom:
G

Gbm Em
Kiss all the pretty ones goodbye
Gbm Em
Give everyone a penny that cry
Gbm Em
You can throw all my tranquil' pills away
Gbm Em
Let my blood pressure go on its way

E Am
For my autumn's done come
E D Bm
My autumn's done come. Done come

Gbm Em
Let those 'I-don't-care-days' begin
Gbm Em
I'm tired of holding my stomach in
Gbm Em
No more slinky folk dollars for me
Gbm Em
I'll take Sears & Roebuck dollars gladly

E Am
For my autumn's done come
E D Bm
My autumn's done come. Done come

Gbm Em
Bring me water short and scotch tall
Gbm Em
A big long black cigar that ain't all
Gbm Em
Hang me a hammock between two big trees
Gbm Em
Leave me alone, damned! Let me do as I please

E Am
For my autumn's done come
E D Bm
My autumn's done come. Done come
