

Lee Hazlewood - Your Sweet Love

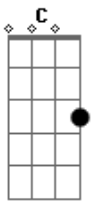

tom:
 F
 Stranger's arms reach out to me
 Cause they know I'm so lonely
 Then my mind goes back to you
 Your sweet love sees me through
 Your sweet love sees me through
 Stranger's eyes see through me
 They know I need company

C Gm F C
 Then I stop and think of you
 C Gm F C
 Your sweet love sees me through
 C Gm F C
 Your sweet love sees me through
 C Gm F C
 Strangers take my loneliness
 C Gm F C
 Tell me that they understand
 C Gm F C
 Until the death I'll think of you
 C Gm F C
 And your sweet love sees me through
 C Gm F C
 Your sweet love sees me through
