

# Legião Urbana - Cathedral Song

Tom: A

Intro: A D Bm E A D Bm E

I saw from the cathedral  
 You were watching me  
 And I saw from the cathedral  
 What I should be  
 So take my lies  
 And take my time  
 'Cause all the others they wanna take my life  
 And I watch, with an intent, basic  
 It's the same for you  
 You hold your hand  
 And it's all fine - laced and  
 would you make me do  
 So take my lies  
 And take my time  
 'Cause all the others they wanna take my life  
 Serious for the winter time  
 To wrench my soul

Whole cotton whole cotton ears  
 But I know there must be  
 Yes, I know there must be  
 Yes, I know there must be a place to go  
 You saw me, from the cathedral  
 Well, I'm an ancient heart  
 Yes, you saw me from the cathedral  
 And here we are just falling apart  
 You catch me  
 I am tired  
 I want all that you are  
 And I saw from the cathedral  
 You were leaving me  
 And I saw from the cathedral  
 Could not see to see  
 so take my time  
 and take my lies  
 'Cause all the others  
 They wanna to take my life
