

Lemonade Mouth - Turn Up The Music

tom:

G

Em C D G (2x)

Na na na na na

Em C
Take a look around

D G
Who would have thought we'd all be here?

Em C
So let's mess around

D G
Cuz the future is unclear

Em C
We got nothin' better to do

D G
We're just tryin' to get through

Em C
Can you hear me?

D G
Can you hear me?

C G
Let the music groove you

D Em
Let the melody move you

C G
Feel the beat and just let go

D Em D C
Get the rhythm into your soul

C G
Let the music take you

D Em
Anywhere it wants to

C G
When we're stuck and can't get free

D Em
No matter what, we'll still be singing

C G
Come on, come on, turn up the music

D Em
It's all, we got, we're gonna use it

C G
Come on, come on, turn up the music

D
Yeah

Em C
All we have is now

D G
Let's make the most of this

Em C
Come on break it out

D G
So everyone can hear it

Em C
They don't have to understand

D G
But we'll make 'em if we can

Em C
Do you hear me?

D
Are you with me?
