^{E7M} E7M ^{Abm7} Abm7
 Baby cant you see that i'm made for you, and you're made for me?

^{B7} B7 ^{E7M} E7M
 Let's pretend that we are not afraid

^{Abm7} Abm7 ^{Gbm7} Gbm7
 'Cause i can see your face, when you are close to me

^{B7} B7
 I won't let you down if you still think of me

[Refrão]

^{E7M} E7M
 'Cause when i hold you tighter

^{Abm7} Abm7
 I can feel your heart beating outside

^{Gbm7} Gbm7
 You should know that isn't a lie

^{B7} B7
 Is getting faster just like mine

^{E7M} E7M ^{Abm7} Abm7
 But if you told me "I shouldn't be seen by your side"

^{Gbm7} Gbm7
 That i'm wrong and i make you cry

^{B7} B7
 I'd do anything for an apology

^{E7M} E7M ^{Abm7} Abm7
 It's so unfair

^{Gbm7} Gbm7
 That you cannot be here with me

^{B7} B7
 Do you still care?

^{E7M} E7M
 Sometimes is so hard to see

^{Abm7} Abm7
 I just want another chance

^{Gbm7} Gbm7
 If you give me a second glance

^{B7} B7
 You'll see

^{B7} B7
 That i will be better for us
