

LemonSoda - Love At First Sight

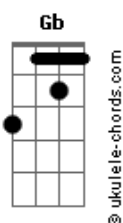

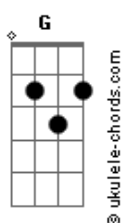

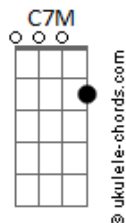

tom:

Intro: C7M G Gb

C7M
Last night, red drink
G
I saw you for the first time
C7M
Smile, your eyes
G
I don't want to think too much, but I swear
C7M
If you hold my hand
G Gb
I won't be asking why
C7M
Cause when I look at your face
G Gb
I don't wanna say goodbye
C7M
'Cause I love you since the first time
G Gb
Baby, I love you since the first time
C7M
Baby, I love you since the first time
G Gb
That I saw you

C7M
My hands are shaking
G

Acordes

I don't know what to do
C7M
My eyes are blurry
G
But I wanna dance with you

And I swear
C7M
If you hold my hand
G Gb
I won't be asking why
C7M
Cause when I look at your face
G Gb
I don't wanna say goodbye

'Cause I love you since the first time
G Gb
Baby, I love you since the first time
C7M
Baby, I love you since the first time
G Gb
That I saw you

'Cause I love you since the first time
G Gb
Baby, I love you since the first time
C7M
Baby, I love you since the first time
G Gb
That I saw you
