Tom: C

Am C G
Here I am, once again
Dm Am
And I don't know where to begin
C G Dm
But I think I got it wrong
Am C G
Things aren't so black and white
Dm Am
As I thought all my life
C G Dm
Still not sure if I, got it right

Am
Still you call out my name
C
When everything's falling
G
But you're still the same
Dm
Day after day

Am
Am I your favorite mistake
C
I'm so sick of falling
Are you sick of me?
G Dm
Why aren't you sick of me?

(Am C G Dm)
So I stay, and I wait
And I make the same mistakes
So I'm here once again
I just want to feel safe and loved and that everything is fine
But when I look above and pray I can't decide

Am
Still you call out my name
C
When everything's falling
G
But you're still the same
Dm
Day after day

Are you sick of me?
G Dm

Know I've made some mistakes sometimes, but you know, you know
Dm Am C G
Still you know and you call me ?mine? and you know, you know
