

Tom: G

Lenny Kravitz - Can't Get You Off my Mind

```
Life is just a lonely highway
I'm out here on the open road
I'm old enough to see behind me
But young enough to feel my soul
I don't wanna lose you baby
And I don't wanna be alone
Don't wanna live my days without you
But for now I've got to be without you
I've got a pocket full of money
And a pocket full of keys that have no bounds
But when it comes to lovin'
I just can't get you off my mind, yeah
Babe can't you see.....that this is killing me
I don't wanna push you baby
And I don't want you to be told
It's just that I can't breathe without you
Feel like I'm gonna lose control
I've got a pocket full of money (oh yes I do)
```

```
And a pocket full of keys that have no bounds
But when it comes to lovin'
I just can't get you off my mind, yeah
INTERLUDE:
Am I a fool to think that there's a little hope?
Yeah.....
Tell me baby
      C7
What are the rules, the reasons, and the do's and don'ts?
Yeah.....
Tell me baby, tell me baby
What do you feel inside?
-solo- G, Am (2x)
CHORUS:
I've got a pocket full of money
                      D
And a pocket full of keys that have no bounds, oh yeah
But when it comes to lovin'
I just can't get you off my mind, yeah
I just can't get you off my mind, yeah
```
