Letra:

flowers for zoe  
love is for zoe  
angels and rainbows  
all kinds of things you can call your own  
gardens for zoe

and oceans for zoe  
jungle gym playgrounds  
all kinds of things for you to explore  
flowers for zoe  
love is for zoe  
angels and rainbows  
all kinds of things you can call your own  
god is for zoe  
and heaven's for zoe  
oh can you believe  
that everything is waiting to unfold ?  
you can call your own  
you can call your own  
you can call your own
