

Lenny Kravitz - Thin Ice

Tom: **D**

HARMONY OVERDUB

The Right channel guitar doesn't have any tab because it's all basically muted notes. You can muck about with it if you want. Enjoy!

Repeat this twice

RIF**F**

ENDING

This is played 8 times in the INTRO, 4 times in the verse, 4 times in the CHORUS. And it's in the Left channel by the way.

Play 4 times

SOLO

Play 4 times

The riff does some strange thing, I'd check this out yourself if I were you, 'cause I can't explain it. But the solo is panned in both channels
