

Lenny Kravitz - What The Fuck Are We Saying?

Tom: **B**
Intro: **B - A - E** (2x)

Verse 1

B Will we ever understand
B Or is the fate of man at hands
B Will we live or shall we die
 How will we ever know if we never try **A E**

B The government's the devil's hands,
B it's a lie and it's a scam
 They wind us up, put us down, and watch us go **E**

And if you close your eyes, there's a big surprise

Chorus

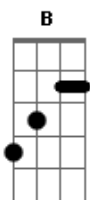

B Gb Db Ab
 What the fuck are we saying?
B Gb Db Ab
 Do we feel what we dream about?
B Gb Db Ab
 We've got to keep on praying,
A G B Gb
 And one day we'll see the light

Verse 3 (repeat pattern)

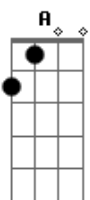

I've been lost in the name of love
 and we kill our brothers daily in the name of God
 We'd better chill before we take on some tribulation
 And if we realize then we'd make a little love now sing

(chorus)
