

# Leno e Lilian - Eu não sabia que você existia

Tom: F

Quando eu te conheci meu bem, não acreditei  
 Você era garota que eu sonhei  
 Seus olhos lindos sempre olhando nos meus

Olhei pro céu e até meu bem, dei graças a Deus

Por ter enfim encontrado o amor  
 Que eu sempre esperei com todo ardor  
 Jamais imaginei meu bem te ver algum dia  
 Eu não sabia que você existia
