

Leo Aprato - Fica

Tom: C

INTRO: Am

Fui reprovado

Perdi a vaga pro inferno

Descordenado, alucinado

Lacrei a tampa do vaso pra não me afogar

Enquanto o tempo rói, aumenta a culpa

Não ver o que fazer não é desculpa

Invente o que quiser, desenhe o que vier

A coca que tem tá sem gás

Mas gelada a minha sede vai passar

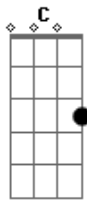

(Dm Am)

Vá embora

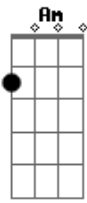

(Dm Am)

Não vá embora
