

Leo Jaime - Gatinha Manhosa

Tom: A

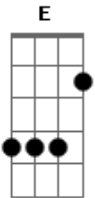

Meu bem já não precisa falar comigo dengosa assim
 Brigas, para depois ganhar mil carinhos de mim
 Se eu aumento a voz, você faz beicinho e chora baixinho
 E diz que a emoção dói em seu coração

Já não acredito se você chora dizendo me amar
 Eu sei que na verdade carinhos você quer ganhar
 Um dia gatinha manhosa eu prendo você no meu coração
 Quero ver você fazer manha então, presa no meu coração
 Quero ver você...
