

Leo Middea - Olimpo Ou Razão

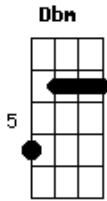

tom:
Intro: A Dbm
A Dbm
Procuro saber
Se o agora vai nos surpreender
Ou teremos que inventar
Capacidades mecânicas
Pra amar outra vez
Será ou quiser
Ela, ele e os sóis que vier
O olimpo ou a razão

Quem há de desfilar
Pelos linhas do meu coração
Eu tenho uns sonhos pra levar
Penso sempre viajar
Já sofri com alguns nãos
Amo alguém de escorpião
Tenho levado muita dor
Mas quando canto chega amor
Já vivi mas ainda há tanto
Tenho mais de 25 anos
