

Leo Russo - Quando Isso Tudo Passar

tom:

Intro: G

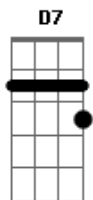

Quando isso tudo passar
 Vai ter maratona de roda de samba
 Quando isso tudo passar
 Eu quero abraçar o meu povo e cantar
 Quando isso tudo passar
 Minha gente não perca a fé, a esperança
 Quando isso tudo passar
 A gente se encontra na mesa de um bar
 Eu quero beber com meus amigos em Vila Isabel

Uma roda por dia
 De Copacabana à Padre Miguel
 Matar a saudade
 Mangueira, Salgueiro, Império, Portela
 Ficar agarradinho pela madrugada sambando com ela
 Não vou perder tempo
 Domingo de sol, um mergulho no mar
 Ver o meu time, e ficar na esquina de papo pro ar
 Vou da Barra ao Irajá, Cascadura ao Leblon
 Onde houver um cavaquinho
 Todo mundo vai no tom
