D7M  
 Dentro le gambe tu

E  
 Fulmini e saette

Sarà come rimbalzare sopra al cauciù

Cadere dalle stelle e tornare su

Uno slancio profondo ci salverà

Dalla noia di questa città

Perché bisogna imparare anche a precipitare

Senza farsi male

Y ¿cómo parar a la bestia?

No podemos, solo entregarlo todo

La libertad que tanto costó a la humanidad

Tanto dolor, toda la sangre que se derramó por ti, por mí

Deja tu huella, deja tu huella

Lucha, lucha, lucha

Deja tu huella, deja tu huella

Lucha, lucha, lucha

No ser esclavo, no ser esclavo

Lucha, lucha, lucha

Deja tu huella, deja tu huella

Lucha, lucha, lucha
