

Leona Lewis - Better In Time

tom:
 Gb
 It's been the longest winter without you
 Ebm Dbm B
 I didn't know where to turn to
 Gb Bbm
 See somehow I cant forget you
 Ebm Dbm B
 After all that we've been through
 Gb
 Go in, come in
 Thought I heard a knock
 Bbm
 Who's there? No one
 Ebm Dbm
 Thinking that I deserved it
 B
 Now I realize that I really didn't know
 Gb Bbm
 You didn't notice, you mean everything
 Bbm
 Quickly I'm learning, to love again
 Ebm Dbm B
 All i know is, I will be ok
 Gb Bbm
 Thought I couldn't live without you
 Ebm Dbm
 It's gonna hurt when it heals too
 B
 It'll all get better in time
 Gb Bbm
 Even though I really love you
 Ebm Dbm
 I'm gonna smile cause I deserve to
 B Gb
 It'll all get better in time
 Bbm
 How could I turn on the tv
 Ebm Dbm B
 Without something there to remind me
 Gb Bbm
 Was it all that easy
 Ebm Dbm B
 To just put aside your feelings
 Gb
 If I'm dreaming
 Bbm
 Don't wanna let, hurt my feelings
 Ebm Dbm
 But that's the path, I believe in
 B

And I know that, time will heal it
 Gb Bbm
 You didn't notice, you mean everything
 Bbm
 Quickly I'm learning, to love again
 Ebm Dbm B
 All i know is, I will be ok
