

# Leona Lewis - Headlights

tom:

Intro: **D**

[Primeira Parte]

**D**  
What's the point of a home built on bricks and torture?  
**Bm**  
Oh baby, I caught ya  
**A**  
And just when I thought you were learning to love me  
**D**  
Said you were, when you weren't it and it hurt me so bad  
**Bm**  
To finally know that  
**A**  
And the secret was out to everyone but me  
**G**  
Hit the bottom and who picks you up?  
**Bm**  
Hit the bottom and who'll fix you up?  
**A**  
Hit the bottom and you're looking for the light above

[Refrão]

**D**  
I'll be my own headlight  
**G**  
Turn myself on tonight  
**Bm**  
Won't lean on your love, your love, your love  
**A**  
Your love, your love, your love  
**D**  
Be my own headlight  
**G**  
Shadows lie on the dark side  
**Bm**  
Won't lean on your love, your love, your love  
**A**  
Your love, your love, your love  
**D**  
Head head your love your love  
**G**  
Head head your love your love  
**Bm**  
Darkside gets me your love  
**A**  
Darkside gets me your love

[Segunda Parte]

**D**  
Only get one chance to fall that first time  
**Bm**  
Why did you have to be mine?  
**A**  
You looked in my eyes, swearing on your life  
**D**  
What to do when you know that you won't accept that?  
**Bm**  
I never expected  
**A**  
That she'd be the one exposing your damn lies  
**G**  
Hit the bottom and who picks you up?  
**Bm**  
Hit the bottom and you'll fix you up?  
**A**  
Hit the bottom and you're looking for the light above

[Refrão]

**A**  
Darkside gets me your love

[Ponte]

**G**  
When's it gonna stop, boy?  
**Bm**  
When's it gonna stop?  
**A**  
Hurting so bad  
**A**  
You hurt me so bad  
**G**  
When's it gonna stop, boy?  
**Bm**  
When's it gonna stop?  
**A**  
Hurting so bad  
**A**  
You hurt me so bad

[Refrão]
