

Leona Lewis - Headlights

tom:

Intro: **D**

[Primeira Parte]

D
What's the point of a home built on bricks and torture?
Bm
Oh baby, I caught ya
A
And just when I thought you were learning to love me
D **G**
Said you were, when you weren't it and it hurt me so bad
Bm
To finally know that
A
And the secret was out to everyone but me
G
Hit the bottom and who picks you up?
Bm
Hit the bottom and who'll fix you up?
A **G**
Hit the bottom and you're looking for the light above

[Refrão]

D
I'll be my own headlight
G
Turn myself on tonight
Bm
Won't lean on your love, your love, your love
A
Your love, your love, your love
D
Be my own headlight
G
Shadows lie on the dark side
Bm
Won't lean on your love, your love, your love
A
Your love, your love, your love
D
Head head your love your love
G
Head head your love your love
Bm
Darkside gets me your love
A
Darkside gets me your love

[Segunda Parte]

D **G**
Only get one chance to fall that first time
Bm
Why did you have to be mine?
A
You looked in my eyes, swearing on your life
D **G**
What to do when you know that you won't accept that?
Bm
I never expected
A
That she'd be the one exposing your damn lies
G
Hit the bottom and who picks you up?
Bm
Hit the bottom and you'll fix you up?
A **G**
Hit the bottom and you're looking for the light above

[Refrão]
