 Gbm
 Take a look, look into my eyes
 You'll see someone you don't recognize
 You'll see someone who looks like me

 But I'm not the me I used to be
 Gbm
 Found I could fall, but I could get up
 E
 And after all, I could hold my head up
 D
 I made it out, I made it through
 Db7
 I'm someone now, I'm someone new
 D
 But you could say you knew me then
 E
 You could say you knew me when

[Refrão]

Gbm E

 A D

 But I've turned the key and I've turned the page

 Now I'm free, now I'm fearless
