The inner door flies open
One by one they enter there
In every style of passion

And no one knows, where the night is
going

flowing

And here they take their sweet repast
While house and grounds dissolve
Beyond the garden walls

Oh love, I need you, I need you, I need
you

Those who weep begin
And those who earnestly are lost
Are lost and lost again

Oh

The broken-hearted many
The open-hearted few

Let all my guests come in
