

# Leonard Cohen - Tower Of Song

Tom: **G**

**G**  
Well my friends are gone and my hair is grey  
I ache in the places where I used to play

**C** **G**  
And I'm crazy for love but I'm not coming on

**D** **C**  
I'm just paying my rent everyday

**G**  
In the Tower of Song

I said to Hank Williams: How lonely does it get?  
Hank Williams hasn't answered yet.

**C** **G**  
But I hear him coughing all night long

**D** **C**  
A hundred floors above me

**G**  
In the Tower of Song

I was born like this, I had no choice.  
I was born with the gift of a golden voice.

**C** **G**  
And twenty-seven angels from the Great beyond

**D** **C**  
They tied me to this table right here

**G**  
In the Tower of Song

So you can stick your little pins in that voodoo doll  
I'm very sorry, baby, doesn't look like me at all

**C** **G**  
I'm standing by the window where the light is strong

**D** **C**  
They don't let a woman kill you, not

Now you can say that I've grown bitter, but of this you may be sure:

The rich have got their channels in the bedrooms of the poor

And there's a mighty judgment coming

But I may be wrong

You see, you hear these funny voices

In the Tower of Song

**Em** **D**  
I see you standing on the other side

**Em** **D**  
I don't know how the river got so wide

**C** **G**  
I loved you, baby, way back when

**Em** **D**  
And all the bridges are burning that we might have crossed

**Em** **D**  
But I feel so close to everything that we lost

**C** **D**  
We'll never have to lose it again

**G**  
I bid you farewell, I don't know when I'll be back  
They're moving us tomorrow to that tower down the track

**C**  
But You'll be hearing from me, baby

**G**  
Long after I'm gone

**D** **C**  
I'll be speaking to you sweetly from a window
