 000000, 000000, 000000...  
**Bm** **A** **G** **Gb**  
 Quem poderá lutar contra a destra de deus pai, de deus pai?

**Gb** **Bm** **A** **G**  
 Se fendesses os céus e descesses, se os montes tremessem a terra veria teu poder.

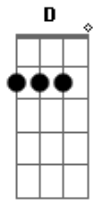

**Bm** **A**  
**G** **Em** **Gb**  
 Do pó criados fomos, do pó erguidos fomos

Forjai as espadas e as lanças pra guerra  
**G** **A** **G**  
**A**  
 Nos levantamos, como um exército, nos levantamos com a ordem dos céus

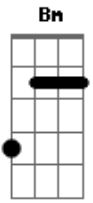

**G** **Bm**  
 Filhos do teu amor, filhos do teu amor,  
**D** **E**  
 O teu amor me libertou, o teu amor me salvou.

**Bm** **A** **G**

 Somos aqueles que rompem com as trevas, que amam os perdidos  
 E os trazem a luz.
