

Leonardo (gaúcho) - Coração Vazio

tom:

Intro: C Em F E
C G7 Fm C

Os pingos desta chuva tão triste
Me trazem o anoitecer pesado e frio
E as cheias dos riachos murmurando
Contrastam com meu coração vazio

E os olhos do meu bem vejo nos vidros
Nas gotas que se soltam devagar
E dentro dos meus olhos maleitos
Sufoco esta vontade de chorar

Lá fora a chuva cai
Mansinho em minha janela
Sozinho escrevo nos vidros

"Saudades dela"

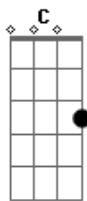

(Fm C)

Parece que a saudade virou água
E quer se derramar por sobre mim
Tentando me afogar de tanta mágoa
Lembranças de um amor que teve fim
E os olhos do meu bem vejo nos vidros
Nas gotas que se soltam devagar
E dentro dos meus olhos maleitos
Sufoco esta vontade de chorar

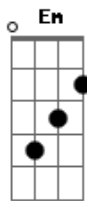

Lá fora a chuva cai
Mansinho em minha janela
Sozinho escrevo nos vidros
"Saudades dela"

(Fm C)
