

Leonardo Gonçalves - There (Versão DVD)

Tom: E

Intro: E Gbm E A (2x)

Well, I've heard a million times
 In many songs and rhymes
 I've witnessed arguments about
 how it will be
 Will it be every living eye
 To see him coming in the sky
 And what about the midnight cry, I
 hear them say
 Are the streets like I was told
 Are there really made of gold
 And will Jerusalem be built where it
 is now
 How can there be a crystal sea
 If the sea has ceased to be
 All these questions annoy me, I just

don't care
 'Cause I want to be there
 I just want to be there
 And sit at my Jesus' feet
 I wanna be there
 I just don't care about the crown
 Or the color of the gown
 As long as Jesus is in town I wanna
 be there
 I know there are things in this life
 that we can't understand
 There are moments we tend to
 forget where we belong
 Sure, there's time, yes, there's
 wealth in that beautiful place
 But all I want is to see him face to face
