

Leonardo Mendes Neto - Celebramos a Vida

Tom: C

Celebramos a vida, conquistada na cruz

Como morte e vida, para mim se traduz em

Fonte eterna de graça, misericórdia e perdão

Em cristo Jesus alcançamos real salvação

Por isso sejas exaltado com toda honra e louvor

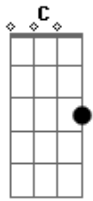

O teu povo reconhece o poder do teu amor
 Nos sabemos que vivemos, só pra te engrandecer
 E não há prazer maior em nosso ser

A ele seja a honra, a Ele seja a gloria

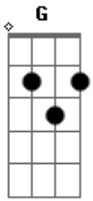

E o domínio para sempre

Amém
