

Leonel Gomez - Florão de Chinoca

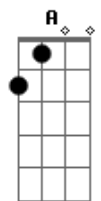

A tom:

Morena lindaça, pois tu tens a graça da rosa em botão
 Por esta paisana senti a picana no meu coração
 Olhando a boieira, estrela campeira, teus olhos eu vejo
 Pra esta chinita eu trago a estrellita em troca de um beijo
 Floreiol:

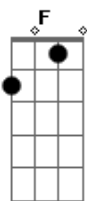

F Floreando a guitarra invoco a cigarra nas cordas em flor
 Seguindo este embalo te fiz de regalo uns versos de amor
 Chinoca bonita com ares de Anita, florão de donzela
 Se bela é a lua, tu és a xirua mais linda que ela

F Por esta chinoca eu paro com as tropas e finco morada
 Eu mesmo solito levando um ranchito beirando uma aguada
 Cruzando a porteira verás a figueira sombreando na frente
 Pra hora do amargo, matear ao meu lado, bombeando o poente
