Tom: **D**
Intro: **D Dm D Dm** (2x)

D **Dm**
Eu fiz bem lá no alto da montanha

Mais alta, mais distante das cidades

Pensei: nenhum problema mais me alcança.

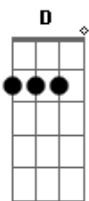

D **Dm**
Nem cartas, nem notícias, nem desgraças,
D **Dm**
Nem dívidas, nem falsas amizades
A **A7**
Vão ter nem ousadia, nem vontade

Bm7 **C** **D D7**
De vir me ver. Já nada me ameaça.

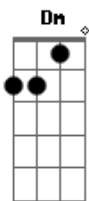

Em **G**
Mas, eu só percebi quando era tarde
Bm **A**
Depois que eu acionei os meus alarmes,
G **D C A A7**
Depois de por a tranca no portão,

Em **G**
Que eu me tranquei sozinho com o inimigo
Bm **A**
Que vai passar a vida aqui comigo
G **D C D**
Vivendo do meu medo e solidão.
