

Les Miserables - Fantine's Arrest

tom:
 Intro: Eb Bb Eb Db7M Db7M
 Em Em Em Em B

B Em
 Tell me quickly what's the story
 Em
 Who saw what and why and where?
 Em Em
 Let him give a full description
 B B Em
 Let him answer to Javert!

D7 G
 Javert, would you believe it?
 F C
 I was lost here in the dark
 D7 G
 When this prostitute attacked me
 F B7
 You can see she left her mark

Em
 She will answer for her actions
 Em
 If you make a full report
 Em Em
 You may rest assured, M'sieur
 B B Em
 That she will answer to the court

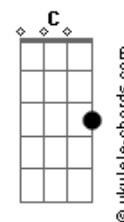

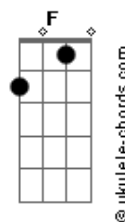

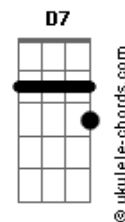

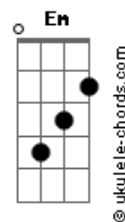

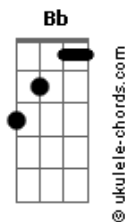

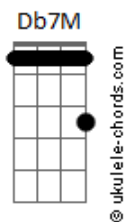

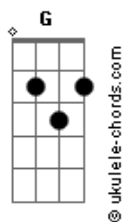

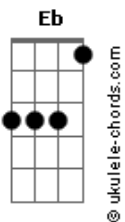

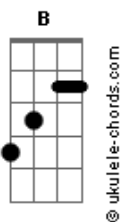

D7 G
 There's a child who sorely needs me
 F C
 Please M'sieur, she's but that high
 D7 G
 Holy God, is there no mercy?
 F B7
 If I go to jail she'll die!

Em
 I have heard such protestations
 Em
 Every day for twenty years
 Em Em
 Let's have no more explanations
 B B Em
 Save your breath, save your tears
 G Em
 Honest work, just reward
 C B Em
 That's the way to please the Lord

Fm Gm7
 A moment of your time, Javert
 Fm Gm7 Fm
 I do believe this woman's tale

Db7M
 But M'sieur Mayor!

Acordes

Bbm
 You've done your duty
 Eb
 Let her be
 Bbm Cm7 Bbm
 She needs a doctor, not a jail

Gb
 But M'sieur Mayor!
 Fm
 Can this be?
 Gb Fm
 Where will she end -
 Gb Am
 This child without a friend?
 Em
 I've seen your face before
 Am Em
 Show me some way to help you
 F C
 How have you come to grief
 G G C
 In such a place as this?

Fm Eb
 M'sieur, don't mock me now, I pray
 Abm Eb
 It's hard enough I've lost my pride
 Cm Gm
 You let your foreman send me away
 Fm G G
 Yes, you were there, and turned aside

Am Em
 I never did no wrong
 Em
 Is it true, what I have done?
 Am Em
 My daughter's close to dying
 Em
 To an innocent soul?
 F C
 If there's a God above
 C
 Had I only known then
 G C
 He'd let me die instead

Bb Am7 Gm Eb
 In His name my task has just begun
 Dm7
 I will take her to the hospital
 Eb
 But M'sieur Mayor!
 (Dm7 Eb Dm7)
 Eb F
 I will see it done!
