 Intro: Dm Bb Dm Bb  
           Dm Bb Dm Bb

Dm                  Bb          Dm  
 This poison is hurting like your lies

                  Bb          Dm  
 But I'm strong as no one else

                  Bb  
 The rage in me is so real

Dm                  Bb          Dm  
 This lights are burning in my eyes

                  Bb          Dm  
 My heart got cold, I paid the price

This power feels so real

Bb                  Gm          C  
 The silent hell got broken

                  Bb          C          A  
 But calm won't back to you

Dm          F          Bb          Gm          C  
 You'll, You'll burn by the fire in my eyes

( Dm Bb Dm Bb )

Dm                  Bb          Dm  
 I'll take the glory and take what's mine

                  Bb          Dm  
 I'll conquer you and tear the sky

                  Bb  
 The dark has taken my eyes

Dm                  Bb          Dm  
 This restless heart is turning clear

                  Bb          Dm  
 And I will never break in tears

This power feels so real

Bb                  Gm          C  
 The silent hell got broken

                  Bb          C          A  
 But calm won't back to you

Dm          F          Bb          Gm          C  
 You'll, You'll burn by the fire in my eyes

Dm                  Bb          Dm                  C  
 I'll tear you, Oh, I'll miss you it's true

C  
 Through the darkest days

Dm          F          Bb          Gm          C  
 You'll, You'll burn by the fire in my eyes

Bb                  Gm  
 Im looking for  
 (dont look back home)
