

Lessdmv - Death For Marry

Tom: G

The sun starts **Gb** now to go away **Bbm**
 In such a silent place
 Can feel the storm
Ebm **Db**
 Destroying our hearts

Gb **Bbm**
 So slow we walked the darkest way
Gb **Bbm**
 Is such a lonely place
B **Ab**
 Can feel the cold
Ebm **Db** **B**
 Burning inside
 (**Db** **B** **Db** **Dm#5**)

Gb **Dm#5**
 Love
B
 We will hide from the sun

Db **Dm#5**
 Until it's over

Gb **Bbm**
 The moon is shining on the graves
Gb **Bbm**
 In such a deadly place
B **Ab**
 Can feel them close
Ebm **Db** **B**
 Just getting inside

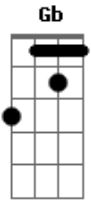

(**Db** **B** **Db** **Dm#5**)

Gb **Dm#5**
 Love (the end it's closer)
B
 We'll hide from the sun
Db **Dm#5**
 Until it's over
Gb **Dm#5**
 Love (the end it's closer)
B
 We'll dance in the darkness
Db **Dm#5**
 Until it's over
