

# Lessdmv - Death For Marry

Tom: G

The sun starts **Gb** now to go away **Bbm**  
 In such a silent place  
 Can feel the storm  
**Ebm** **Db**  
 Destroying our hearts

**Gb** **Bbm**  
 So slow we walked the darkest way  
**Gb** **Bbm**  
 Is such a lonely place  
**B** **Ab**  
 Can feel the cold  
**Ebm** **Db** **B**  
 Burning inside  
 ( **Db** **B** **Db** **Dm#5** )

**Gb** **Dm#5**  
 Love  
**B**  
 We will hide from the sun

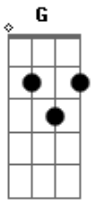

**Db** **Dm#5**  
 Until it's over

**Gb** **Bbm**  
 The moon is shining on the graves  
**Gb** **Bbm**  
 In such a deadly place  
**B** **Ab**  
 Can feel them close  
**Ebm** **Db** **B**  
 Just getting inside

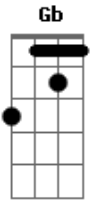

( **Db** **B** **Db** **Dm#5** )

**Gb** **Dm#5**  
 Love (the end it's closer)  
**B**  
 We'll hide from the sun  
**Db** **Dm#5**  
 Until it's over  
**Gb** **Dm#5**  
 Love (the end it's closer)  
**B**  
 We'll dance in the darkness  
**Db** **Dm#5**  
 Until it's over
