

Lesson Guitar - AC/DC - Highway To Hell

```
Tom: D
                                                                                     D (G D)
                                                               I'm on the highway to hell
                                                                          D ( G D )
                                                               Highway to hell
Primeira Parte:
                                                                                     D (G D)
(Riff 1)
                                                               I'm on the highway to hell
                                                               Highway to hell
Living easy
Livin' free
Season ticket on a one way ride
Asking nothing
                                                                        Don't stop me!
Leave me be
                                                               ( D D D D D )
Taking everything in my stride
Don't need reason
                                                               Solo: A G D
Don't need rhyme
Ain't nothin' that I'd rather do
Going down
Party time
My friends are gonna be there too
                                                               Final:
Primeiro Refrão:
                                                                                     D (G D)
                      D (G D)
                                                               I'm on the highway to hell
I'm on the highway to hell
                  D (GD)
                                                               I'm on the highway to hell
On the highway to hell
                                                                                     D ( G D )
           D (G D)
                                                               I'm on the highway to hell
Highway to hell
                                                                                 D ( G D )
                                                               I'm on the highway
I'm on the highway to hell
                                                               ( A D G D )
Segunda Parte:
                                                               (Lick 1)
(Riff 1)
No stop signs
Speed limit
                                                               (Lick 2)
Nobody's gonna slow me down
Like a wheel
Gonna spin it
Nobody's gonna mess me 'round
                                                               (Lick 3)
Hey, Satan!
Payin' my dues
Playin' in a rockin' band
                                                               (Lick 4)
Hey mama!
Look at me
I'm on my way to the promise land
                                                               (Lick 5)
Segundo Refrão:
                                                               (Lick 6)
