

# Letícia Gusmão - Why

tom:

C

Oh honey, honey

Why you've broken my heart?

I don't get why you've done it

You truly torn me apart

When i first met you

You said you'd never fall in love

Baby i guessed i changed your mind

And now you leave me alone

F Am

Why do you do this to me?

C Am G F

I wish i could understand

F Am

And now you leave me alone

G

No, we can't be friends

C

I can't resist the smell of your hair

Am

And i don't think i can be around you

F

Without holding you

G

Touching you, feeling you

C

When i first met you

Am

You said you'd never fall in love

F

Baby i guessed i changed your mind

G

And now you leave me alone

F Am

Why do you do this to me?

C Am G F

I wish i could understand

F Am

And now you leave me alone

G

No, we can't be friends

C

Oh honey honey

Am

Now i trust no one

F

And it's all on you, babe

G

I guess i need to move on

F Am

Why do you do this to me?

C Am G F

I wish i could understand

F Am

And now you leave me alone

G

No, we can't be friends
